

BEST PRACTICES IN KHOWANG COLLEGE (2016-17)

Case: 1

1. **Title of the Practice:** Athletics and Football Coaching
2. **Objectives of the Practice:**
 - (i) To impart and enhance sports integrated learning for students to adopt fitness as a lifelong attitude.
 - (ii) To raise the competence and confidence of the players through the coaching.
 - (iii) Identification of sports talents for further grooming.
3. **The Context that required the initiation of the practice:** Games and Sports is an indispensable part of education which can help tremendously in developing the fundamental movement skills that are the bases for lifelong physical activities. The students of the college have succeeded in sowing outstanding performance in the domain of game and sports and succeeding in winning laurels not only in University and State level but also in the National and International level competitions.
4. **The Practice:** Most of the students of the college are hailing from rural setup. They are very much enthusiast in sports. So, the college organised a month long athletics and football coaching camp w.e.f. 22nd of August to 21st September 2016 to lead the young talents to a newer height. A total number of 56 students participated in the coaching camp. A veteran football player of Khowang Ghat, Ratan Saikia played the role of the coach.
5. **Evidence of Success:** As an evidence of success the students of the college were being able to bring laurels in the Dibrugarh University Inter college tournaments by achieving the Best Team in Cross Country Race (Boys), Champion in Women Football (for 7 consecutive years), Best Player in Women Football, Best Team in Inter College Athletic Meet (Girls), Best Short Distance Runner etc. which were the outcome of the month long coaching camp organised by the college.
6. **Problems Encountered and Resources Required:** Lack of financial support from Govt. and sufficient sports facilities can be stated as problems encountered in materializing the coaching camp.

Case: 2

1. **Title of the Practice:** Workshop on Digital Literacy for Teaching and Non-Teaching Staff
2. **Objectives of the Practice:**
 - i. To provide basic computer and Digital Literacy skills.
 - ii. To equipped the teaching and non-teaching staff with the competencies (knowledge, skills and attitude) in the use of digital tools.
 - iii. To encourage and intimate digital communication and transaction.
3. **The Context that required the initiation of the practice:** Now a days, it is a requirement to be digitally literate in order to be able to function in a capacity that enables one to be more successful whether it is at home office academic institutions or at our jobs. Over the last few decades the whole environment has evolved into aq digital environment, Almost everything we do today requires some sort of digital knowledge or literacy. So, we must become digitally literate ere we became successful in any sphere. Hence, realizing the needs and urgency of digital literacy, the IQAC of the College organised a workshop on Digital literacy for Teaching and non-teaching staff of the college on the 21st January, 2017.
4. **The Practice:** Digital Literacy is an inherent aspect of 21st century education. So far the scenario of present higher education is concern knowledge of digital technologies is crucial not only for students but also teaching and not-teaching to thrive to the modern world. The workshop on Digital Literacy has really proved instrumental to a great extent in creating awareness on the urgent need and requirement of digital Literacy in making higher education prosperous and in realizing the moto of the ambitious schemes of Govt. of India.
5. **Evidence of Success:** As stated, a gradual awareness among the members of teaching and non-teaching staff have been noticed which would definitely attract and encourage the students towards digital literacy.
6. **Problems Encountered and Resources Required:** As the college is located in a rural setup, poor network connectivity stands as a big issue in digital communication and transaction.
