Field Report - 2016

The department of Economics, Khowang College visited Digboi Oil Refinery on 24-0&2016 as a part of Educational tour. Digboi Oil Refinery is one of the oldest public Sector petroleum industries of Assam. This contributes a lot for the development of North East Region. We visited the industry taking with twelve students and four teachers aiming to study the products produce in the industry. We tried to study the cost-benefit analyse, employment, managerial system and marketing system. We provide a questionery to each of the student so that they can enquiry to know the information. After completion of the visit, student have submitted their individual report.

Analysing the data we found that there were produce mainly eleven products which were (i) Refy fuel gas system, LPG, Motor sprit, Mineral Turpentine oil, Sulphur, Superior Kerosene, Auiotion Turbine Fuel, H.E.D., Wax, Furnace Oil and R.P.C. some other finished product were also produce by the industry. These are jute batching oil, Rhisoshine, Sulpher, Binder Oil, Kerosene DDS Solar oil etc. It is also known that 40,000 thousand metricton wax was produce in a year. Further it was going to know that total petroleum products were decline due to increase of depreciation of capital goods.
