Sub: Seeking permission to introduce Science stream in under graduate level in the college.

Sir,

With reference to the subject cited above, I have the honour to draw your kind attention to the fact Khowang College is the only co-education institution of higher education located under the jurisdiction of No-115 Moran LAC of Dibrugarh parliamentary constituency . The college was set up in 1982 with the faculties of Arts and the college was recognized by the UGC under 2(f) and 12(B) on the 19th October, 2004. The faculty of Commerce of the college was introduced subsequently i.e 1986, but it has not been provincialised till today.

Sir, keeping the NEP 2020 perspective in view and to cope up with the present scenario of higher education and to the demands of the localities, we are very much anxious and entusant in imparting STEM subjects in the college. Hence, we are planning to introduce Science stream in the college under graduate level.

So, We`ll be highly grateful to you if you kindly give us permission and provide needful arrangement to introduce the same in our college at your earliest and oblige.

With regards,

Yours faithfully

Sir,

With reference to the subject cited above, I have the honour to state that the UGC Building Construction Committee, Khowang College, meeting held on 28.06.2014 discussed on the allocated and sanctioned amount of Rs. 40.00 lakhs only out of total estimated cost of Rs. 60.00 lakhs as per plan. Considering the urgency of the Women Hostel and less amount allocated for it, the meeting suggested to simplify the plan (abolishing the inside room walls etc.) keeping the total plinth areas as per original plan. The inside room walls etc will be constructed utilizing the college fund when it becomes available.

Following the suggestion, the college has completed the project of original plan with Rs. 40,49,510.00(Rupees Forty Lakhs Forty Nine Thousand and Five Hundred ten) only in time.

In, the circumstances, I earnestly request you to accept the submitted final report of the Women Hostel Building.

With regards.
