“SWACHH BHARAT MISSION” is a clean India drive and mission which has officially been launched as a national campaign by the honorable Prime Minister of India Mr. Narendra Modi, on 2nd October 2014, by completeness in 2019, on the 150th birth anniversary of our national Father M.K. Gandhi. Indeed, clean India is a dream seen by Gandhi regarding which he said that "Sanitation is more important than Independence"

For being instrumental in the successful fruition of India's biggest ever cleanliness drive i.e. SWACHH BHARAT MISSION, Khowang College, a pioneer institution of higher education situated to the South West part of Dibrugarh is also not lagging behind. As per direction of the affiliating University, i.e. Dibrugarh University, a Health and Sanitation Club named “Khowang College Health and Sanitation Club” was established in the college in 2016. With the entailment of a Nodal Teacher, faculty members, officials and some enthusiastic students of the college headed and guided by the Principal of the college, Dr. Dibyananda Chetia, a series of programmes have been implemented by the club in and out of the college since its very inception. Some of the programmes implemented by the club is mentioned below:

#### **PROGRAMME-1**

**DATE: 20-09-2016**

#### **ON THE SPOT ESSAY WRITING COMPETITION ON SWACHH BHARAT MISSION**

With a view to foster the virtuous feeling of Clean and Healthy India among the students, an inter-college essay writing competition was organized on SWACHH BHARAT MISSION. Participation of the students in the programme was really encouraging.

#### **PROGRAMME-2**

**DATE: 30-09-2016**

#### **AWARENESS PROGRAMME ON THE HAZARDS OF OPEN DEFECATION**

The most important objective of the SBM or Clean India Mission is to end open defecation forever in the villages of India. The members of Khowang College Health and Sanitation Club along with the faculty members of the college undertook a laudable effort by materializing an awareness programme on the Hazards of Open Defecation among the villagers of Chenimari, a neighbouring village of the college.

#### **PROGRAMME-3**

**DATE: 02-10-2016**

#### **A SPEECH COMPETITION AND TREE PLANTATION PROGRAMME**

To commemorate the auspicious occasion of Gandhi Jayanti, a Speech Competition on SBM was organized among the students of the college. A tree plantation programme in the college campus was also done in the same day.

**PROGRAMME-4****DATE: 20-03-2017****CAMPUS AND ROAD CLEANING PROGRAMME**

With the active participation of the students and faculty members of the college, a cleanliness programme was materialized in the college campus and in the adjacent road of the college.

**PROGRAMME-5****DATE: 21-03-2017****AWARENESS AND CAMPUS CLEANING PROGRAMME**

An awareness cum campus cleaning programme was materialized with the active participation of the club members, teachers, and officials. Honourble Principal of the college formally inaugurated the programme and delivered a speech on need of SWACHH BHARAT MISSION and importance of health and hygiene for a healthy nation.

**PROGRAMME-6****DATE: 23-03-2017****A CAMPAIGN OF CLEANLINESS, SANITATION AND HANDWASH PRACTICE**

Holding banners and play cards of slogan of SBM, the members of KCHSC along with some teachers of the college made a campaign in the villages of Kolowlowa Gaon panchayat under Khowang Development Block, Dibrugarh on Cleanliness, Sanitation and Hand wash practice and urged everybody to inculcate these virtuous habits in day-to-day life.

**PROGRAMME-7****DATE: 23-03-2017 and 24-03-2017****A FIELD SURVEY ON SANITATION STATUS OF EIGHT (8) VILLEGES IN KOLOWLOWA G.P. UNDER KHOWANG DEVELOPMENT BLOCK.**

The members of Khowang College Health and Sanitation Club under took a commendable effort by doing a field-survey in eight villages of Kolowlowa G.P. under Khowang Development Block, viz. (1) **Dulia Tea Estate**, (2) **Kolowlowa Deori Gaon**, (3) **Chenimari Gaon**, (4) **Athabari Gaon**, (5) **Chamua Gaon**, (6) **Betoni Majgaon**, (7) **No. 1 Buri Khowang**, and (7) **Cherepakhati Gaon**. The motto of the survey work was to get the sanitation status of the villagers of the surveyed areas and to make them aware about their health and hygiene. For this purpose, a suitable questionnaire was made for collecting information. The survey was conducted randomly in sample households of the villages under survey.

### Analysis of field data

**Table-1**

**Sanitation status of the inhabitants in eight villages of Kolowlowa G.P. under Khowang Development Block, Dibrugarh**

Sl. No.	Name of the Village	Total Households Surveyed	No. of Households using sanitary Toilets (%)	No. of Households using Kuchha Toilets (%)	No. of Households Practising open defecation (%)
1	Dulia Tea Estate	218	177 (81.19%)	30 (13.76%)	11 (5.04%)
2	Kolowlowa Deori Gaon	127	73 (57.48%)	46 (36.22%)	8 (6.29%)
3	Chenimari Gaon	22	19 (86.36%)	3 (13.63%)	Nil
4	Athabari Gaon	30	27 (90%)	3 (10%)	Nil
5	Chamua Gaon	20	18 (90%)	2 (10%)	Nil
6	Betoni Maj Gaon	32	26 (81.29%)	6 (23.07%)	Nil
7	No-1 Buri Khowang	25	20 (80%)	5 (20%)	Nil
8	Cherepakhathi Gaon	35	23 (65.71%)	12 (34.28%)	Nil

The table reveals that the inhabitants of the surveyed areas are yet to avail complete sanitation so far, their toilet facilities are concerned. It is unfortunate that among the eight surveyed villages, the open defecation practice is still prevailing to some extent in two villages, viz-(1) Dulia Tea Estate, and (2) Kolowlowa Deori Gaon, areas almost inhabited by tea garden labourers and tribal people respectively. Besides in Dulia Tea Estate, most of the latrines provided by the management were found to be out of order. The Kuchha latrines are also not hygienic so far in both the aforesaid areas. The condition of toilets was also filthy. It's also found that in all the villages, except Dulia Tea Estate, the major portion of villagers have availed sanitary toilets through Govt. Schemes which is really a praiseworthy effort of the Govt.

It was also found in the survey that so far the sources of drinking water of the villagers are concerned, almost all of them make arrangement of tube wells for the same. The underground water definitely contains iron beyond the safety levels which really causes health hazards for the villagers.

Gandhi said, "India lives in its villages." So, in order to upgrade India in the eye of the world, the condition of the villages and villagers must be improved. The toilet facility of the villagers should be improved by making provisions for water near toilet seats. Moreover, in view of existence of iron in water of tube wells, necessary arrangements should be undertaken for removing iron from water. The Government, no doubt, should play the role of

a booster to promote the sanitation status of the villagers and to make India a complete open defecation free nation within its stipulated period.

Khowang College Health and Sanitation Club, in its two days survey, tried its utmost to create awareness among the villagers of the surveyed areas about cleanliness and sanitation and urged the villagers to be instrumental in making India a CLEAN, GREEN & HEALTHY 'UTOPIA.'

Awareness Programme on the Responsibilities of a Girl's Parents after Marriage to Check Domestic Violence

On the 8<sup>th</sup> of March, 2021, on the occasion of International Women's Day, an Awareness Programme on the Responsibilities of a Girl's Parents after Marriage to Check Domestic Violence was organized by the Women's Cell of Khowang College in collaboration with IQAC, Khowang College. The event was held at Chamua Gaon, Khowang, where all the people of the area, especially the parents of the youths, were invited. The programme began with the inaugural speech of the Principal of the College, Dipali Saikia. It was followed by the felicitation of the guest, Deepshikha Buragohain, Advocate, by Puspajali Boraiah, Member of Women's Cell. Next, Apsara Gogoi Phukan, Member of Women's Cell, introduced the topic of the day to the audience. Deepshikha Buragohain then enlightened the people on the role of the family in preventing their daughter from becoming a victim of domestic violence. She highlighted three responsibilities of the family members – trust on their daughter, analyzing her behavior and keeping regular contact with the married daughter. She also discussed the issue in minute details, using examples of cases of domestic violence in India, namely the case of Rashika Jain (Kolkata) and Ayesha Banu Makrani (Ahmedabad). The importance of education was also emphasized by her. Furthermore, she also explained the types of domestic violence – physical, sexual, verbal and economic – that could befall on the married girl. Deepshikha Buragohain also enlightened the people on how they could approach the Protection officer to report cases of domestic violence and provided her contact if they wanted to seek any legal help. It was followed by an inspiring and motivating speech by Dr. Deepali Bhattacharjee, Director of Women's Cell. The women of Chamua Gaon responded actively and came forward to share their experiences. The event concluded with the vote of thanks by Puspajali Boraiah, member of Women's Cell.
